Dear Club Member,

It's that time of year to renew your membership in the Wheels from the Past Car Club. The annual dues for **January 1, 2025 – December 31 2025** season is **\$20.00**.

For a mere pittance, your membership dues include you in a select group of local car enthusiasts. You will join in fellowship and camaraderie with fellow car lovers that support your local community. In addition, your membership provides for insurance for weekly cruise nights, the annual show, advertising and promotion of the club to new members. We always support local charities that make a difference for you or your loved ones. We routinely contribute all of our earnings (donations from you, local businesses and earnings from our sponsored car events) to our chosen charity. During an average year, we are able to contribute approximately \$3,000.00 to our designated charity. **Our 2025 charity is the Serenity Sistass**, a very worthy charity providing assistance to active uniformed public safety officers of affiliated agencies via scholarships and/or compassionate giving to those who are severely injured or make the ultimate sacrifice while in service to the citizens of Anne Arundel County

For a very small investment, you can make a big difference in your community. Added to that, you can swap information and war stories with other car lovers. Overall, it is a great deal!

For your convenience, dues can be paid via any the methods outlined below:

- In cash no later than the first cruise night of the season (20 March 2025)
- By check made out to "Wheels from the Past", mailed to P.O. Box 1852, Edgewater, MD 21037
- Via Pay Pal with a \$1.00 convenience fee at the following link  
[www.wheelsfromthepast.org/membership.html](http://www.wheelsfromthepast.org/membership.html)

Please don't miss this opportunity to support your club and encourage others to do so as well. Your prompt payment will help the club continue to be the wonderful volunteer philanthropic organization that it has become.

Respectfully,
